Refer to PANTONE Matching System® (PMS) for correct PMS colors. Observe that this is only a reference system and there are no given colors as they are not premixed. Also observe that colors may appear different depending on the color, the surface and the material of the product. We can never guarantee exact PMS color.

This proof only illustrates the placement and proportions of the marking and should be considered as an indication of the final product. We take no responsibility for errors not corrected.
